                             Why don't we take a break.
                                                           Let's
 2
               MS. FETTERLY:
     take a break.
 3
               THE VIDEOGRAPHER: Okay. We're going to go off
 4
                   It's 10:04 a.m.
     the record.
 5
 6
                   (Brief recess.)
               THE VIDEOGRAPHER: We're back on the record.
 7
     It's 10:09 a.m.
 8
     BY MS. FETTERLY:
 9
             Before we had a break, Ms. Spencer, we were
10
     talking about the fact that you had arranged to have a
11
     medical examination of Katie.
12
13
             That's correct.
14
             And we've established that was on August 30th,
15
     1984.
16
             Where did that examination take place?
17
          Α
             It took place at U.C. Med Center in Sacramento.
             And that is a Davis campus, I take it?
18
19
             Yes.
          Ά
20
             And did you -- as you were advised to by, you
     said, a social worker. Did you have a discussion with
21
     Katie at that time before the examination --
22
23
             I did.
          Α
24
             -- as to what would happen at this examination?
25
             What I said to her was -- we were in the car,
```

1 and we were on our way, and she was looking at me, like, 2 you know, what's going on? And I said, "Well, we know 3 that daddy's touched in you places that daddies aren't 4 supposed to touch little girls. And we want to make 5 sure you're not hurt." And what was her response? 6 Okay. She curled into a ball, rolled to the side of 7 the door and began yelling, "Mommy, please don't let 8 them touch me there. Please don't let them touch me 9 10 there." Did you proceed to the medical center, then? 11 I did. 12 Α And who was present when -- when the 13 examination, at least attempted examination, took place? 14 There was a female doctor, a female nurse, and a 15 16 female social worker and myself. And what happened during this process? 17 were present the entire time; is that right? 18 19 Yes. Д 20 So describe what happened during -- when you and Katie and the medical staff were in the examination 21 22 room? 23 They -- we took her shoes off and then the 24 doctor started to -- she was sitting on my lap. And the 25 doctor started to take her tights off, and she began

1	screaming and kicking and yelling. And none of us could
2	get them off of her.
3	Q Was there ever, on this occasion, a vaginal
4	examination done of your daughter on that date?
5	A No.
6	Q Okay. What type of examination, if any, was
7	done and this was while she was on your lap; is that
8	right?
9	A She was on my lap, yeah.
10	Q Was she ever on an examination table?
11	A No.
12	Q Okay. Were there any instruments inserted into
13	her?
14	A No.
15	Q Was the physician even able to probe into her
16	vaginal area?
17	A No.
18	Q Okay. So what was examined, if anything, during
19	this examination?
20	A Nothing.
21	Q And that was because
22	A We couldn't she was hysterical. We could not
23	get her tights off. She still had her dress on. We
24	couldn't get her tights off.
25	Q Handing you what has been marked as Exhibit

```
Number 3, can you identify this document?
1
2
             Yes.
             And what is it, to the best of your knowledge?
3
             It's the medical report from that visit, it
4
     looks like.
5
             It's a three-page document?
6
7
             Correct.
             Would you agree that on the third page there's a
8
     handwriting that says "No physical finding"?
9
             That's correct.
10
             And how do you explain that particular finding?
11
     Was that following an actual vaginal examination?
12
             No.
          Α
13
             Okay. How would you explain the writing of
14
     those conclusions?
15
             I can't explain it.
16
             Could there possibly be no physical findings
17
     because an actual examination was not done, an actual
18
     pelvic examination was not done?
19
             That would be my assumption.
20
          Α
             And then did you take Katie home that day after
21
     the examination?
22
             Actually, the social worker -- I was told while
23
     I was there that there's been an apparent trauma.
24
     need to get her into some sort of counseling or therapy.
25
```

```
1
     therapist ever state to you, "I think she made these
 2
     allegations up"?
 3
          А
              No.
 4
              Did she ever state to you, "she" being the
 5
     therapist, "I don't think anything actually happened"?
 6
          Α
              No.
 7
              Was it your understanding that the therapy she
 8
     was pursuing with Katie was that she had been -- in
 9
     fact, been improperly touched by her father?
10
              Yes.
          Α
11
             Did -- and -- in the same time period, did you
12
     notice any unusual behavior on Katie's part that may or
13
     may not, based on your understanding of child
14
     development, have been consistent or inconsistent with
15
     physical sexual abuse?
16
          A At times I felt uncomfortable of some of her
17
     behaviors, especially around, oh, like her uncles --
18
     it's so long ago.
19
             I know.
20
             But I just -- I can't put my finger on it.
21
     was just uncomfortable.
22
                    Did you ever observe her to rub her
23
     genital area in this time frame?
24
          A
             Yes; but I didn't think anything of it.
25
             Did she ever ask you to apply medicine to her
```

```
genital area in this time frame?
 1
 2
             Yes.
                    Had you ever done that in the past?
 3
             Okay.
             She had a sore like on the top of the vaginal
 4
 5
     area, not inside, but on the top. And when I took her
     to the doctor, he said it was a viral infection.
 6
 7
     gave me medication to put on.
             And how -- when did this occur in relation to
 8
     the fall of 1984 time frame? Was it in the same time
 9
10
     frame, or was that earlier?
             I'm sorry. I don't remember.
11
             Okay. Do you think it was before, possibly?
12
             Yeah, I do believe it was before.
13
             Okay. Did you notice anything unusual about the
14
     nightgown Katie brought back from her visits with her
15
     father in the summer of 1984?
16
17
             It just seemed to be worn, you know. A little
18
     strangely -- I mean worn -- worn out.
          Q Can you be more specific? Was it fraying at the
19
20
     sides or any particular place or --
21
             More of in the area of where she might have had
22
     her underwear.
             Go ahead. Take a break.
23
24
          А
             Okay.
25
             And your response was more in her underwear
```

```
1
     area?
             Yeah.
 2
                    Yes.
             And what particularly did you notice about that
 3
     nightgown in that regard?
 4
             I just remember it said "Daddy's Little
 5
     Princess" on it. It made me very uncomfortable.
                                                         Ι
 6
 7
     can't tell you why.
             Okay. What did you do with that nightgown?
 8
 9
             I threw it away.
             Was that after the allegations of abuse had
10
     been -- had surfaced?
11
1.2
          Α
             Yes.
             Did you learn at some point that you were
13
     actually a suspect; that your former husband was telling
14
     authorities up in Clark County that it was actually you
15
     or possibly a man in your home that was abusing Katie?
16
             Yes.
17
          А
             Okay. And when, approximately, did you learn
18
19
     about that?
             It was -- it was not long after Pat Flood had
20
                 I mean, it was within that few-months time
21
     period. I don't remember exactly when.
22
             And at that time, were there any men living in
23
     your household?
24
25
             No.
          A
```

That was the incident you described earlier 1 2 about burning the picture? 3 A Correct. You read through earlier today that Exhibit 27, 4 which was the handwritten note by Shirley Spencer 5 regarding statements that Katie made to Shirley. 6 After reviewing that document, can you tell us 7 whether you thought the words that Shirley 8 reported Katie as using sounded kind of like the way Katie would talk back then in 1984 when she was about 10 11 five years old? 12 Yes. Do you think that that was true as well from the 13 police reports that you read that were describing words 14 Katie was using back then around age five? 15 16 Yes. Δ Do you also think in reviewing the police 17 reports that described Matt's disclosures of abuse that 18 those reports seemed to be using words that Matt was 19 20 using back during that time period when he was about 21 eight or nine years old? 22 Yes. Α After Detective Krause would interview your 23 children, would she usually meet with you afterwards? 24 25 Α Yes.

Would she summarize what the kids had told her 1 during her interviews of them on each occasion? 2 3 Α Yes. When she would give that summary, did you 4 observe her to be looking at any notes that she had or 5 was she just doing it off the top of her head? 6 7 Sharon Krause always had notes. So when she would give you those summaries, 8 would she be flipping through her notes as she was 9 summarizing it for you? 10 11 Α Yes. Do you recall any of those summaries of what 12 Krause told you? 13 I do not. 14 Okay. After having reviewed the police reports 15 written by Detective Krause, do you have any reason to 16 believe that the information reported in those reports 17 is different in any way from what she summarized for you 18 19 after each of those interviews? 20 No. Α I want to talk a little bit about Rhonda Short 21 22 now, please. Was that -- that incident where Ray Spencer had 23 sex with Rhonda Short ever investigated by the police, 24 to your knowledge? 25

1	A They do.
2	Q And I believe you said that the County had paid
3	airfare for you and Kathryn for you to come up on that
4	trip?
5	A Yes.
6	Q You were asked some questions by Ms. Fetterly
7	about the videotaped interview in a break that occurred
8	during the taping.
9	You had also testified that Sharon Krause was
10	present for just the first few minutes of that taped
11	interview and then she left.
12	Do you recall that?
13	A Yes.
14	Q Did you talk to Sharon Krause during the break
15	and the taping?
16	A I don't remember.
17	Q Do you remember if you saw or talked to Sharon
18	Krause immediately after the videotaped interview
19	concluded that day?
20	A I believe I did.
21	Q Do you recall what was discussed?
22	A I do not.
23	Q Do you remember hearing any conversation among
24	anybody, whether it's Jim Peters or the video operator
25	or Sharon Krause, about what was going to be done with

```
the videotape when the interview ended?
 1
             I don't remember. I don't recall.
 2
              MR. BOGDANOVICH: Thank you, Ms. Spencer.
 3
     That's all I have.
 4
              THE WITNESS: You're welcome.
 5
              MS. FETTERLY: Ms. Zellner?
 6
              MS. ZELLNER: I've got a few questions.
 7
              MS. FETTERLY: Do you want to take a --
 8
                          (Witness shakes head.)
             THE WITNESS:
 9
                             The witness said she doesn't need
              MS. FETTERLY:
10
     a break, Ms. Zellner, so --
11
              MS. ZELLNER: Does or does not?
12
              MS. FETTERLY: Does not.
13
              MS. ZELLNER: Okay. Good.
14
                            EXAMINATION
15
     BY MS. ZELLNER:
16
          Q Ms. Spencer, would you tell me -- identify for
17
     the record all of the documents that you reviewed before
18
19
     today's deposition?
                         There was a couple -- the letter
20
             Let's see.
     that I wrote for my son. That was 19. Exhibit Number
21
     11, the Utility Report from the Sheriff's Office.
22
             Anything else?
23
          A Give me a moment, please.
24
          Q Yeah, you cut off. I just heard Exhibit 11 and
25
```

```
have the words on the tape, correct?
1
             I do now.
2
             If you look at page 14, and if you come down
3
    about probably 13 lines, it says "Peters" --
4
             Okay.
         Α
5
             -- "How come you told me they were upstairs?"
6
    And he says, "Huh? Did you forget?" And Katie answers,
7
             Peter says, "Okay. That's fine. Well, do you
8
     remember -- before this time that you just told me
9
     about, did Ray do that to you before?"
10
             Do you see that statement?
11
             I do.
          А
12
             Now, do you remember that when the -- when the
1.3
     break was taken that there was discussion between Peters
14
     and Katie of what she was going to say?
15
             There was no discussion in my presence about
16
     what Katie was to say.
17
             You're 100 percent positive of that?
18
             I was very cautious about what was said around
19
     my children. And there was no discussion about what to
20
     say or anything other -- that I recall.
21
          Q Okay. When you say "in your presence," isn't it
22
     true that on the break that Sharon Krause also rejoined
23
     you, your daughter, and Peters for a few minutes?
24
              I believe so.
25
```

Q And so did you observe your daughter having any interaction with Sharon Krause? A Other than "hi" conversations? Q I am correct that Sharon Krause was with you and Mr. Peters and Katie on the break, correct? A I believe so. Q This break takes over an hour. Do you recall that? A I do not. Q Why do you still use your ex-husband's last name? A When I divorced their father, and especially after this incident occurred, I did not want my children to think I was divorcing myself from them and that I was not wanting to identify with who they were, which was a Spencer. So I kept his last name. Q So even though he's been convicted of these terrible crimes, you decided to keep his last name? A If I kept his last name, then my children would not think, in my opinion and in my belief if I kept his last name, then they couldn't be bad people because my name was their name. And that if even though their father, who I told them was ill and needed help I did not want them to think that they would also be ill.

Q Okay. When you leave after Katie's videotaped actually, when you go back in the room for the second part of the videotaping, do you move to a different location? A I believe we moved to a different room. Q Was that or were you led to believe that was Sharon Krause's office? A I don't recall. Q Was it an office-like room, or was it more of a conference room? Do you remember? A I believe it was more like a small conference room with a table and some chairs. Q Do you remember; were you upstairs or downstairs in the Sheriff's building? A I don't recall. Page 34 rewarding you at the end of each interview session? 1 2 Α. Yes. Is that right? 3 0. Α. Yes. 4 What did she reward you with, or what do you 5 0. remember her rewarding you with? 6 7 Sodas, ice cream. Α. But she didn't give you money, I take it? 8 Q. 9 Α. No. She didn't give you items that had any particular 10 Q. value, such as maybe a doll that was expensive or --11 Not that I remember. 12 Α. -- a bicycle? 13 0. But when you're five it might as well have been 14 Α. something of value. 15 Okay, but that wasn't my question. 16 Q. MS. ZELLNER: She answered it. 17 I answered it. 18 Ά. So the extent of her rewards, as you remember it, 19 0. 20 was giving you sodas and ice cream? 21 Α. Yes. And set those aside for a minute, I want to go back 22 0. to Exhibit 1. In Paragraph 8 you testified under oath on 23 September 14, 2007, I do have a vague recollection of having 24

been questioned by Detective Krause. I don't recall the

- This was your testimony then?
- 5 A. Yes.
- 6 Q. And that's still true today?
- 7 A. Yes.
- 8 Q. And 9 is, you state, Paragraph 9, it is my belief
- 9 that if I had been sexually abused in the manner described
- 10 in the police reports alleged against my father I would have
- 11 a memory of this having occurred. I have no such memory

- 14 am concerned that I was never abused and that my father was
- 15 wrongfully convicted.
- 16 That was your testimony at the time under oath.
- 17 Correct?
- 18 A. Yes.
- 19 Q. And that's true today, is it not?
- 20 A. Yes.
- Q. Now I would have you take a couple minutes, or as

1	AFTERNOON SESSION
2	(1:15 p.m.)
3	(Exhibit No. 5 marked for identification.)
4	
5	EXAMINATION (continued)
6	BY MR. BOGDANOVICH:
7	Q. We have taken our lunch break, Mr. Spencer. Are
8	you ready to proceed?
9	A. I am.
10	Q. I'm going to show you what has been marked as
11	Exhibit 5, and because of the size of this one I am not
12	necessarily going to ask you to go through each and every
13	page.
14	I'm going to represent to you that Exhibit 5 is a copy
15	of the transcript of the hearing that we had discussed a
16	little bit earlier in your testimony today, the July 10,
17	2009 hearing that's been referred to as the reference
18	hearing regarding your recantation and your sister Kathryn's
19	recantation.
20	And what I have copied here is from the cover page. And
21	they are numbered, you will see for reference, the page
22	numbers appear near the top right corner.
23	I have copied this transcript through Page 58, which is
24	where your testimony ended, okay. And I will be referring
25	to certain questions.

- Again, I don't want you to read through this 58 pages
- 2 right now but I will try to give you enough context for
- 3 specific questions that you will understand what the context
- 4 was. And if you need to look up or back a few questions,
- 5 I'll certainly allow you to do that.
- 6 Before we go any further I wanted to direct your
- 7 attention to the bottom of Page 14. And this is where you
- 8 were discussing the March 1985 interview by Detective
- 9 Krause.
- 10 And you see at Line 18 your attorney was questioning
- 11 you. It indicates at the top this was your direct
- 12 examination, not your attorney, your father's, Mr. Camiel.
- Line 18 he asked you a question: When you had been
- 14 telling the detective that you had not been molested, did
- 15 the detective seem to accept your answer?
- Answer: She never accepted a quote, no, end quote,
- 17 answer.
- 18 Ouestion: How do you know that?
- Answer: Because it wasn't until I said, quote, yes, end
- 20 quote, is when the questioning stopped.
- 21 And then there was this exchange. Question: When you
- 22 said, quote, yes, end quote, what did you tell the
- 23 detective?
- 24 And your answer: I told her that he had molested me and
- 25 my sister and my stepbrother and that there had been more

- 1 than one individual involved and --
- 2 And then your answer was interrupted.
- 3 You were sworn to tell the truth during your testimony
- 4 at that July 10, 2009 hearing, correct?
- 5 A. Correct.
- 6 Q. And did you tell the truth that day?
- 7 A. I believe to the best of my ability.
- 8 Q. And today you were sworn to tell the truth again in
- 9 this deposition, correct?
- 10 A. Correct.
- 11 Q. And you testified earlier today, you specifically
- 12 denied a couple times that you had told Detective Krause
- 13 that your sister or your stepbrother had been molested.
- So my question to you at this point is, which is true,
- 15 did you or did you not tell Detective Krause that your
- 16 sister and stepbrother had also been molested by your
- 17 father?
- 18 A. Detective Krause told me that my sister and
- 19 stepbrother had been molested. I went along with it.
- 20 Q. So your answer now is, yes, you did tell Detective
- 21 Krause in March 1985 that not just you but also your sister
- 22 and stepbrother had been molested by your father?
- 23 A. She informed me that they had been molested.
- Q. That's not my question. I want to get to the point
- 25 here. Is your testimony now, and it was one way in the

- 1 reference hearing and it's been a different way today so I'm
- 2 just trying to find out when we walk out of here which
- 3 version are you going to swear to.
- 4 So did you tell Detective Krause in March of 1985 that
- 5 you and your sister and your stepbrother were molested by
- 6 your father?
- 7 A. She told me I was molested and I agreed to it.
- 8 Q. So the answer to my question is, yes, you did tell
- 9 her?
- 10 A. I agreed to it.
- 11 Q. And then also if you look at Page 29 of the
- 12 Exhibit 5 there was a question starting at Line 2. You were
- 13 asked, Question: You were interviewed by your father's
- 14 attorney Mr. Jim Rulli, weren't you?
- 15 Your answer: I believe so.
- 16 Question: Down in Sacramento.
- 17 Answer: I believe so.
- Question: And you told Attorney Rulli that in fact you
- 19 had been abused.
- 20 Answer: I told everybody when I was nine that I had
- 21 been abused.
- That's your testimony at that time, correct?
- 23 A. That's my testimony at that time.
- Q. Now again today I think you specifically denied
- 25 ever having been interviewed by Mr. Rulli?

Page 100 told Mr. Camiel? 1 Apparently it's, Matthew wants to recant his 2 statements. 3 And then did you meet with Mr. Camiel on that same 4 Q. trip up to Renton? 5 I believe so. Α. 6 Where did you meet with him? Q. Seattle. Α. 8 At his office? 9 Q. Α. Correct. 10 Did your father go with you? 11 Q. Yes. Α. 12 Did anyone else accompany the two of you? 13 Ο. No. 14 Α. - 6 A. Came up through me.
- 7 Q. Just explain to me how this was drafted?
- 8 A. I came in, gave an interview, and they typed it up.
- 9 O. And does this declaration accurately reflect the
- 10 content of the statements you made to Mr. Camiel that day?
- 11 A. Most of it is.
- 12 Q. When you say most of it, are there parts that you
- 13 don't feel are accurate?
- A. Yeah, Paragraph 18, While I believe that I did tell
- 15 her the things written in the report attributed to me about
- 16 my father sexually abusing me, none of it is true.
- When it comes to that, I went along with what she had
- 18 told me had happened to me. There wasn't anything that I
- 19 had generated on my own except for after that maybe the
- 20 details of maybe a couple of things, the yellow sweater, red
- 21 Porsche. Other than that I went along with what she told me
- 22 to say.
- Q. Well, do you now think that this, the statement
- 24 that you just read, the second sentence in Paragraph 18 is
- 25 not accurate?

- 1 A. I believe it could have been written a little bit
- 2 better.
- 3 O. How? How do you believe it should have been
- 4 written?
- 5 A. Well, I didn't tell her the things written. They
- 6 were told to me and I agreed to them.
- 7 Q. Anything else in this declaration that you believe
- 8 you should have changed before you signed it?
- 9 A. Not that I can see at the moment.
- 10 O. And I guess I should ask, did you read this
- 11 declaration from start to finish before you signed it?
- 12 A. I scanned it.
- 13 Q. What does that mean? Did you or didn't you read it
- 14 from start --
- 15 A. I didn't study it, no. I didn't study it.
- 16 Q. You understood that whatever it said you were
- 17 subscribing to under penalty of perjury?
- 18 A. Yeah. I also understand that I had other
- 19 information handed to me after this was written.
- 20 O. What do you mean by that?
- 21 A. Well, there's a videotape of Jim Peters, okay. I
- 22 had never seen that until after this was done. That
- 23 reassured me that I know that what was told to me was what I
- 24 had to agree to to make people happy.
- O. But I'm not understanding. What difference would

- 10. IN LATE 2005 MY FATHER SENT ME AN E-MAIL AND WE EXCHANGED E-MAILS THAT LED TO MY VISITING WITH HIM IN SEATTLE FOR THE FIRST TIME IN LATE FEBRUARY 2006.
- 11. THIS VISIT WAS THE FIRST TIME I HAVE SEEN MY FATHER SINCE 1984 AND THE FIRST TIME I HAVE EVER TALKED TO HIM ABOUT THE CRIMINAL CHARGES.
- 12. I UNDERSTAND THAT MY FATHER WAS ACCUSED OF SEXUALLY
 MOLESTING ME AND MY SISTER AND MY STEPBROTHER. I ALSO KNOW
 THAT HE PLEADED GUILTY TO THOSE CRIMINAL CHARGES AND
 RECEIVED A LIFE SENTENCE.
- 13. I CAN STATE UNEQUIVOCALLY THAT I WAS NEVER MOLESTED IN ANY MANNER AT ANY TME BY MY FATHER.
- 14. I RECALL THAT IN 1985 I WAS INTERVIEWED BY A DETECTIVE AT
 MY HOME. HE ASKED ME IF MY FATHER HAD TOUCHED ME
 IMPROPERLY. I REMEMBER I TOLD THE DETECTIVE THAT I HAD NOT
 BEEN TOUCHED BY MY FATHER IN ANY INAPPROPRIATE WAY.
- 15. I KNOW THAT I WAS INTERVIEWED BY A FEMALE DETECTIVE. I
 REMEMBER DETECTIVE KRAUSE BY NAME. SHE WAS INVESTIGATING
 THE ALLEGATIONS IN 1984 OR 1985 AND CAME DOWN TO CALIFORNIA
 TO INTERVIEW ME AND MY SISTER. SHE DROVE ME AND MY SISTER
 AROUND AND TOOK US TO HER MOTEL. SHE REPEATEDLY ASKED ME IF
 MY FATHER HAD MOLESTED ME. SHE TOLD ME THAT MY SISTER AND
 LITTLE MATT HAD ADMITTED THAT HE HAD MOLESTED THEM.

16. I KEPT TELLING HER HE DIDN'T DO ANYTHING. SHE WOULDN'T
ACCEPT MY DENIALS AND KEPT SUGGESTING THAT HE HAD MOLESTED
ME AND THAT I WASN'T BEING TRUTHFUL.

- 17. FINALLY I FIGURED THAT IF MY FATHER HAD MOLESTED MY SISTER
 AND LITTLE MATT THAT MAYBE HE HAD MOLESTED ME AS WELL SO I
 TOLD HER THAT HE HAD. I MADE UP SPECIFIC DETAILS OF WHAT
 MY FATHER DID BASED ON WHAT THE DETECTIVE ASKED ME. NONE OF
 THIS WAS TRUE.
- 18. I HAVE HAD THE OPPORTUNIT TO REVIEW THE REPORT WRITTEN BY
 DETECTIVE KRAUSE CONCERNING HER MARCH 24, 1985 INTERVIEW
 WITH ME. WHILE I BELIEVE THAT I DID TELL HER THE THINGS
 WRITTEN IN THE REPORT ATTRIBUTED TO ME ABOUT MY FATHER
 SEXUALLY ABUSING ME NONE OF IT IS TRUE.
- 19. LATER I WAS FLOWN UP TO WASHINGTON FOR ANOTHER INTERVIEW. I RECALL I MADE UP STORIES OF OTHER POLICE OFFICERS ALONG WITH MY FATHER BEING INVOLVED IN ABUSING ME, LITTLE MATT AND KATHRYN AND SOMEONE DRIVING A RED PORSCHE. NONE OF THIS WAS TRUE.

- 22. OVER THE YEARS I HAVE ALWAYS WANTED TO COME FORWARD AND MAKE CLEAR THAT MY FATHER HAD NOT SEXUALLY ABUSED ME, BUT I HAVE NOT KNOWN HOW TO GO ABOUT SETTING THE RECORD STRAIGHT.
- 23. ON FEBRUARY 27^{TH} , 2006 I MET WITH MY FATHER'S LAWYER, PETER A. CAMIEL IN SEATTLE AND TOLD HIM ALL OF THE ABOVE FACTS.
- 24. I HAVE CAREFULLY REVIEWED EVERY LINE OF THIS DECLARATION FOR ACCURACY. IT IS ALL TRUE TO THE BEST OF MY KNOWLEDGE AND I AM WILLING TO GO TO COURT AND SWEAR TO THESE FACTS BEFORE A JUDGE.

114 Q Is it fair to say that during this time period we're talking about -- November/December of 1984 -- you made all the charging decisions regarding the prosecution of sex crimes involving children in Clark County? A Not exactly. I was the person who was the regular intake person for the sex crimes. If I was involved in trials, as I was in this case, and frequently was, if it was an emergent matter, then it would go to someone else. If it was a routine matter, then it would just get put in a box and I would get to it, and I would make -- in a routine case I would make a charging decision, and then the supervisors would assign the case out to one deputy prosecutor or another. I didn't keep them all. If it was a sensitive case, no decision would be made without the boss's input. Q Okay. You mentioned earlier that you recommended that the case be submitted to Rebecca Roe? A I definitely did that. Q You did that? A I did that. Q Okay. And then that recommendation was made to Art Curtis? A Yes. Q Was anyone else involved in that decision? A Well, it was between a subordinate and his supervisor. I don't know if the criminal chief may have been involved.

	115
1	I'm not sure. I don't remember.
2	Q Who was the criminal chief?
3	A Roger Bennett.
4	Q And how about Sharon Krause, was she involved in that
5	decision?
6	A Not in the decision. I'm sure she may have known about it,
7	but, I mean, she was in the hierarchy of the Sheriff's
8	Office, she was a detective. They had their supervisors
9	and a Sheriff who were in their hierarchy. Our hierarchy
10	was different.
11	Q When that submission was made, you wanted to make sure that
12	Rebecca Roe had all the evidence available, correct?
13	A I was in trial when that decision was made. Art Curtis
14	submitted that while I was in trial. I was not involved in
15	that in any way.
16	Q So you were not involved in any way as to what evidence
17	would be submitted to Rebecca Roe for her review; is that
18	correct?
19	A No. I'm sure Art Curtis had the file, and he sent her
20	whatever he had. That's my assumption.
21	Q Are you aware of what she sent her?
22	A No. I've seen the
23	Q Rebecca Roe was a
24	A I've seen the letter. The letter just said says the
25	reports are attached. No, no, wait a minute. That was a

156 how many times I can say that, but the interview happened 1 the next day. The get-to-meet-you happened the day that 2 she arrived. 3 Q So you don't remember the meeting, you made very clear. So 4 it's possible you could have rehearsed her statements with 5 6 her, right? MS. FETTERLY: Object. A No, that's not possible. Q (By Mr. Johnson) Oh, so you remember some of what happened 9 10 that day, right? MS. FETTERLY: Objection; argumentative. 11 Q (By Mr. Johnson) You remember some? 12 A I don't remember the meeting at all, but I -- you know, I 13 don't remember the meeting. 14 Q Just kind of speculating as to whether or not you rehearsed 15 or practiced with her? 16 A You're asking me to speculate about all sorts of things. 17 Q Okay. You decided -- when did you decide or who decided 18 that the meeting on December 11 would be videotaped? 19 A I don't recall. 20 Q Was it Sharon Krause? 21 A Well, the equipment was in the Sheriff's office. I don't 22 recall. I don't recall -- I don't recall who made the 23 decision to videotape it. 24 Q Did Katie ask you to videotape her? 25

1	Q Did you tell Art Curtis about the videotaped interview with	
2	Katie?	
3	A Yes.	
4	MS. FETTERLY: Asked and answered.	
5	Q (By Mr. Johnson) In that meeting did you tell him that?	
6	A I don't recall.	
7	Q Did he ask you for the videotape?	
8	A I don't recall. I didn't have it anyway, but I don't

16	A No, I'm telling him that's where it is, in the Sheriff's	
17	office. He didn't need my permission.	
18	Q You knew where it was on January 2nd or 3rd of 1984 [sic];	
19	is that correct?	
20	A In the Sheriff's office, yes.	
21	Q Where is the Sheriff's office?	
22	A I had no idea. When I Jeff had it. And what he did	
23	with it, I don't know.	
24	Q How do you know Jeff had it?	
25	A It was in the camera. Jeff had access or had control of	

	170
1	the camera.
2	Q You're assuming that?
3	A Well, it was he set it up. He controlled it while
4	during the first part of the interview, and I'm confident
5	he came and picked it up when we were done with the second
6	part of the interview.
7	Q Did you observe him come pick it up?
8	A I don't recall.
9	Q You did not observe him come pick it up, correct?
10	A I don't recall, Counsel. You can draw

13	in, he set it up, he turned it on. We finished the
14	interview. I left. I you know, you could draw
15	reasonable inferences from those facts.
16	Q So you left the room with the videotape still in the
17	camera?
18	A Well, the room was Sharon Krause's office.
19	Q Okay. Did you do it in a cubicle?
20	A Well, I don't know if at one point she had a cubicle.
21	At one point she had an office. I don't recall which at
22	that point, because she changed.
23	Q Will you give it to me again? You left that room and a

5	A I'm sure the custody of the tape was taken over by somebody	
6	in the Sheriff's office.	
7	Q And can you name the person in the Sheriff's office that	
8	you are sure took custody of the tape?	
9	A No, I can't recall.	
0	Q And you did not observe anyone in the Sheriff's office	
1	taking custody of that tape, correct?	
2	A I don't recall.	
3	Q That means you don't know one way or the other, right?	
4	A I don't know one way or the other. It was 28 years ago.	
5	MS. FETTERLY: Do you need a break?	
6	THE WITNESS: No.	
7	Q (By Mr. Johnson) All right. Did you write anything on	
8	that let's go back to the beginning in that videotape.	
9	Did you write anything on the tape?	
0.	A I don't recall having done so.	
!1	Q Well, you would assume, wouldn't you, that the tape was	
2	labeled?	
3	A I you're now you're asking me to assume. I don't	
4	recall. The tape didn't belong to me. The tape was the	
25	property of the Sheriff's office and it remained with the	

173 in? Because you understand what a chain of custody is, 1 2 right? A Yes, I do. Officers would write a report. Sometimes there 3 would be a specific property report that would list items 4 one, two, three, four, five and identify what they are, and 5 they would go in evidence. 6 Q Did you ever see that type of report reflecting what 7 happened to the December 11, 1984, video interview that you 8 did with Katie Spencer? 9 10 A No. Q Did you - did you tell Art Curtis that you were going to 11 meet with Katie prior to when you met with Katie? 12 A I don't recall. 13 Q Let me -- why would you leave the Sheriff's Department and 14 the tape there if you made that tape to evaluate Katie's 15 competency? 16 A You're asking me to speculate and remember something from 17 28 years ago. I don't recall. 18 Q No. I'm asking you in this -- you'd agree this was a very, 19 very serious procedure that you performed with Katie 20 Spencer, correct? 21 22 A It was an important procedure. Q Okay. And I'm asking you why you would videotape that 23 interview and then depart the Sheriff's Department without 24 the tape after you had taken such steps to have videotaped 25

		174
1	your evaluation of Katie's competency? Why would you do	
2	that?	
3	A That would have been the original document or the original	
4	recording, which we would never have kept in our office.	
5	Q Why not?	
6	A We didn't keep any evidence in our office.	
7	Q Did you ask anybody about what would happen to the tape	
8	after you left?	
9	A I don't recall.	
10	Q You may have; you may not have, is that correct?	
11	A I just yes, I don't recall.	
12	Q Did you have any concerns that this tape contained a	
13	five-year-old child talking about to you about sexual	
14	molestation of her vaginally, et cetera, and her father,	
15	who had not been charged yet, did you have any concerns	
16	that this could get into the wrong hands because you left	
17	without giving any directions whatsoever to anyone about	
18	what to do with it?	
19	A No, because it was left it with Sharon Krause, Sharon	
20	Krause's office.	
21	Q Sharon Krause was not present at the end of the interview,	
22	correct?	
23	A I believe she was there. I mean, I don't have immediate	
24	Q Was she	
25	A I don't have any independent recollection of anything other	

260 Q But whether it would have been you or another prosecutor 1 2 assigned to the case, that would have been the prosecutor's decision to make; is that correct? 3 A Yes. Once we'd reviewed the discovery with the 4 5 investigator and compared what we had with what they had. MR. BOGDANOVICH: All right. Thanks. That's 6 7 all I have. MS. FETTERLY: There are no further questions 8 here. 10 MR. FREIMUND: Reserve signature? 11 MS. FETTERLY: Yeah, we'll reserve signature. MR. FREIMUND: Do you want to talk about the 12 13 exhibits? MR. BOGDANOVICH: Yeah. 14 Counsel, we wanted to make sure -- I think we raised 15 16 it a couple times and never really, I don't think, had a 17 clear agreement or understanding. Was it your intention that everything in all of the three different groupings of 18 notebooks that you sent as deposition exhibits be marked 19 and attached to the depositions of these three witnesses as 20 21 exhibits? 22 MS. ZELLNER: Yes, that's what we want. 23 MR. BOGDANOVICH: Okay. And I think I made my record during Sharon Krause's, but I do want to state an 24

objection to any later admissibility of any of the exhibits

25
